We support and celebrate people of all genders, sexualities and diverse identities.

Full Stop Australia acknowledges the Traditional Custodians of Country throughout Australia, and their continuing connection to land, sea, and community. We pay our respects to them and their cultures, and to Elders both past and present.

Always was always will be Aboriginal land.

## A moment in history.

International Women's Day, 1974, Bidura Girls Shelter.

The image is of a flash point in Australian feminist history. It is recorded in the 'Handbook for Rape Crisis Centres', that this day included a forum discussion which conceptualised a space to help women in crisis, impacted by sexual violence. This led to the opening of the first Rape Crisis Centre in Australia just 7 months later. **Today this service is called Full Stop Australia.**
