

TRAINING AND EDUCATION.

Full Stop Australia offers **evidence-based education and consultation** based on our decades of work in the sexual, domestic and family violence sector.

Services we offer:

- **Responding with Compassion**
- **Vicarious Trauma Management**
 - including; Debriefing and Supervision
- **Complex Trauma**
- **Sexual Violence Response Essentials**
- **Respectful Workplace**
- **Policy development and support**

Our best-practice programs support workplaces, educational institutions, and licensed premises to create safe and respectful environments, with a focus on prevention and trauma-informed response.

We work with organisations to develop tailored solutions **for all budgets.**

Help put a full stop to sexual, domestic and family violence in your workplace or community by engaging in best-practice training.
